

WATERFRONT MISSION

Group application is on Page 2.

Thank you for your interest in serving at Waterfront Rescue Mission! Waterfront offers opportunities for individuals and groups at its Mission campuses and Retail locations. Regardless of where you serve, your volunteerism is vital to the life-transformative work that takes place at Waterfront.

VOLUNTEER GROUP GUIDELINES

Age Requirements:

The minimum age for serving at a Mission site is 13. The minimum age for serving at a Retail site is 12. For the ages under 18, adult supervision by an accompanying volunteer chaperone is required at the ratio of one adult for every five minors. For groups smaller than five minors, a minimum of one adult volunteer chaperone is required. For groups with one or more minor females, at least one female adult volunteer chaperone is required.

The group leader must:

- Complete the Group Volunteer application (see next page)
- Assume responsibility for viewing and ensuring all group members have viewed the [Volunteer Orientation Video](#).
- Distribute and collect Release of Liability forms for each member of the group (Give to your Waterfront contact either before or on your date of service). - Check in with the Waterfront staff leader when you arrive for your volunteer experience.
