WATERFRONT MISSION

Volunteer General Agreement & Release Form

Level 1 Volunteers must be familiar with the following beliefs, policies, and procedures of Waterfront Rescue Mission, acknowledging and agreeing to uphold the values of the Waterfront Mission Statement, Statement of Faith, and Core Values.

MISSION STATEMENT

To Demonstrate God's Goodness by Providing Rescue and Recovery Services in Jesus' Name.

STATEMENT OF FAITH

- We believe the Bible to be the inspired, the only infallible, authoritative Word of God, and speaks with final authority concerning all matters of belief and conduct.
- We believe that there is one God, eternally existing in three persons: Father, Son, and Holy Spirit, and that He is the Maker of all things, both visible and invisible.
- We believe in the deity and humanity of Jesus the Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His blood shed, in His bodily resurrection, in His ascension to the right hand of the Father, in His present rule as Head of the Church, and in His personal return in power and glory.
- We believe that lost and sinful individuals are saved through a direct, personal encounter with the risen Lord, at which time they are regenerated by the Holy Spirit.
- We believe in the present ministry of the Holy Spirit, by whom Christ indwells each believer, enabling him or her to live a godly life of obedience towards spiritual maturity and Christ-likeness.
- We believe in the resurrection and judgment of both the saved and the lost, they that are saved unto the resurrection of life and they that are lost unto the resurrection of condemnation.
- We believe the Holy Spirit unites all true believers in the Lord Jesus Christ, with equality across race, gender and class differences, and that together they form one body, the church. This unity does not negate our creative distinctiveness as male or female, but underscores our oneness with God's family as unique children.
- We believe that God created every person in His own image as male or female. This sexual distinction and complementarity establishes a normative connection between biological sex and gender. The fall of mankind has corrupted this order, brought about brokenness and confusion regarding gender issues. God's Word continues to affirm the sanctity of one's biological sex. Because of this reality, the Bible affirms that marriage is exclusively between one man and one woman for life. Marriage is thus the only proper context for sexual desire and behavior.
